

## Tia's Danish and Lithuanian offices currently closed

**Due to the outbreak of Coronavirus, and following advice from the respective governments, our Danish and Lithuanian offices are currently closed, and all employees are working from home.**

Whilst we don't envisage this will have any negative impact on our ability to serve our customers on a day to day basis, there will be no face to face meetings or travel during this time period.

We continue to monitor and follow government advice closely, in order to ensure the safety of our employees, customers and partners.

We thank you for your cooperation during this difficult time, and please don't hesitate to reach out to your Tia contacts if you have any questions.
